

musiconthemeadow pledge their support to local children's charities

Keeping the focus on youth, mmm has chosen Demelza Hospice Care for Children and Chestnut Tree House, to benefit from this year's event. These two charities, based in Kent and Sussex, provide palliative care, respite care and support to children with progressive life-limiting conditions and their families. They receive very little government funding and mmm are proud to support them by donating towards the costs of providing this specialist care, both in the home and at their hospices.

mmm 07 is on Saturday 14th July on Court Meadow, Mayfield, from midday to midnight. Headlining the day are the fabulous **Counterfeit Stones** with many support acts, including the Final play-off of mmm's Schools Battle of the Bands Competition, sponsored by Fender uk.

The day offers a variety of music along with many side shows including a Kids Zone play area with Rodeo Bull, Surf Simulator and bouncy castles. Refreshments will be available from the 70 foot bar (the largest mobile bar in the country!) along with various food outlets in the food village including a Hog Roast. Fire Poi will be performed by Fireflies later in the day.

There is free parking available opposite the meadow and Mayfield is on the 52 bus route.

Tickets are on sale through the website and a variety of local outlets.
